A ruling in Marine Le Pens appeal could settle the question of the National Rallys presidential candidate. But it wont end the growing list of probes against the party.

PARIS □ Frances far-right National Rally was hoping it could put its legal woes behind it next week □ with the conclusion of a long-running embezzlement case against its leader Marine Le Pen □ and finally concentrate all its energy on the 2027 election.

But police raids on Tuesday mean the partys judicial headaches will likely drag on, even if National Rally President Jordan Bardella emerges as its presidential candidate in the coming week.
